	Serial No.		Estimated Cost
X	(1)	Improvement of Maddagiri - Hitgod Bhandalli Cartrack.	Rs 1200
X	(2)	do of Hosakere - Hitgod Bhandalli Cartrack.	Rs 2700
Q	(3)	do - Doddagiri Yellalabhogi Cart track	Rs 1000

The funds for these works will come out of the village improvement allotment for the Dist as ordered (vide flag X & Q). As such, the works will have to be executed under the agency of the Rev dept.

But the D.C. has requested the chief engr to undertake the works as they are of some importance & the outlay is not also small. The Rev dept are diffident that they might go wrong in technical details, e.g. alignment, road etc.

The chief engr wants orders as to whether they may be undertaken by the P.W.D. if so, the cost on account of establishment etc will have to be added to the estimate. In para 13 of G.O. dated 26.12.23, the C.E. has been authorised to incur expr on estt up to a limit of 10 per cent of actual expr incurred on the works

SIR,

I have the honour to forward herewith for information, the marginally noted references in original from the Deputy Commissioner Tumkur District, requesting the Executive Engineer Tumkur Division, to undertake the construction of the two cart track roads in the Maddagiri Taluk and also of Dodguni Yelladabagi cart track road in the Gubbi Taluk.

2. Tumkur District Deputy Commissioner's letter No. 1840/22-23 dated 4-9-1924 to the Executive Engineer, Tumkur Division.
3. O.C.1840/22-23 dated the 7th September 1924.

The Revenue Department have already started the above two works in the Maddagiri Taluk, against which there is already some outlay; such works as are falling under Village Improvement are generally being carried out in the Revenue Department. The Deputy Commissioner to whom they were forwarded for countersignature has returned without countersignature but desires that the works may be completed by the Public Works Department as difficulty is being

being felt by the Revenue Department for further continuance of the road works.

The estimate amounting to Rs.9'0 - for the one in Gubbi Taluk received from the Executive Engineer is herewith forwarded for --- orders as to whether the Revenue Departmental works may be undertaken by the Public Works Department as requested by the Deputy Commissioner and if so, it may be sanctioned and returned early.

If such works are to be executed in Public Works Department provision should be made for establishment and Tools and Plant ----- charges and the estimates revised.

As these works are intended to provide work for local labour the favour of very early orders is requested.

The enclosures sent with the letter may kindly be returned, when done with.
